

WRANGELL EAGLE

Vol. IX Ed. 5

February 1963

HOST TO EDGEcumbe

One of the highlights of the year for the Institute students was a visit paid to our campus by the Edgecumbe basketball team and their coach. The team ate lunch with us, visited with relatives and friends, and enjoyed a joint pep rally with our team and students.

Cheerleaders Delores Albert, Antionette Evans, Charlotte Albert, and Gladys Wells led us in a jolly rally. Our music makers also helped to make the occasion interesting.

Edgecumbe team members Harry Kaleak, Pete Boskofsky, Ron Tukle, and Mark White were former Wrangell students. Other members of Coach McGillis' team were Sid Ashby, Marvin Mack, Don Marvin, Rex Okakok, Willie Omnik, Walter Wells, and Manager Willie Gordon.

We enjoyed their visit.

play of student talent and a pep rally. Elmer Frankson, John Hensley, Jane Akootchook, Eve Soplus, and Alice Agiak pleased the group with guitar music and singing.

RALLY—STUDENT MEETING

During the month of January we had our first pep rally and student body meeting. At a meeting of the Student Council, it was decided that a meeting with all the students was in order.

With all students present, the President and Vice President of the Council discussed ways in which students could contribute to a better life here at the Institute, and in other areas visited by students.

Touching on such items as courtesy, respect for areas of quietness, and student to student relationships, the Council officers left lasting impressions on the student body. Staff members were able to recognize immediate improvement.

The meeting came to a head with a thrilling dis-

STAFF - THIS ISSUE

EDUCATIONAL SPECIALIST

EDITORS	Edward Beans Nancy Neakok	Warren I. Tiffany, former School Superintendent, is presently visiting Wrangell Institute. As Educational Specialist from the Juneau Office, Mr. Tiffany is assisting with a number of functions that have to do with operations here at the Institute.
NEWS EDITORS	Irene McCord Evelyn Joseph	In addition, he is working with teachers and other personnel in the area of curriculum development. Through conferences, observations, and classroom visits, we are positive that his presence will be beneficial.
FEATURE EDITORS	Roslyn Jones Carol Brown Matilda Douglas	
Sports Editor	Gilbert Barr	
Class Editor	Aurelia Afcan Jenny Stepetin Elmer Frankson Ernie Jimmie	
Production	Matilda Douglas Tessie Nashoanak Peri Mensoff Elmer Frankson Irene Fredricks	EDGEcumbe PRINCIPAL
PUBLISHED MONTHLY BY THE MEMBERS OF THE AUDIO-VISUAL CLUB		William A. Jackson, principal of the Mt. Edgecumbe Boarding School, was a visitor on our campus during the last days of January.
TYPISTS	Gloria David Evelyn Joseph Irene McCord Nancy Neakok Carol Brown	Mr. Jackson was mainly interested in our students who are to be sophomores at Edgecumbe next year. He talked to these students for about two hours. In an informal discussion period, the students gained a very good insight into expected life at Edgecumbe.
ARTIST - COVER	Lincoln Tritt	Visiting many other areas of the Institute, Mr. Jackson expressed satisfaction over the type of program being carried out for our students.

NEW TEACHER

Mrs. Skyes is a new teacher at Wrangell Institute. She was born in North Dakota. Mrs. Skyes is married, and has a five month old daughter. She and her daughter just got back from Portland. Mrs. Skyes said "I think I'm going to like Wrangell Institute. I'm getting along fine with my class. We are getting to know each other better every day." The students all hope she really enjoys her stay.

Roslyn Jones

JUNEAU VISIT

From February 8th through February 10th, Mr. Sorensen was on official business in the city of Juneau.

The Juneau trip was concerned with Civil Defense Orientation. All adult members on the campus will get Civil Defense information through in-service meetings.

February 1963

Albert Friendly, Helen Edenshaw, Ferdinand Cleveland - Editors. Willie Juneby - Art.

King and Queen

There is going to be a vote on who should be king and queen for Valentine's Day. The boys have already chosen their queen. The girls have not done theirs yet. They will have it in the gym.

Corrine Edenshaw

Going to Town with Mr. Johnston
On January the 20th. Mr. Johnston took five of us to his house. There were Charles Silas, John Sharp, Jack Rock, Herman Deacon and me.

After he showed us around his house, we went to town. We rode around for about 35 minutes. We went up to the other end of the road and back to his house. He had the food cooking so we had to come back quick.

After we had eaten he showed us some slides. We saw some pictures of Mr. Brady and his family. We had some ice cream and a piece of cake before we came back to the Institute. It was nearly 6:00 P.M. so we had to go back to the Institute for the movie.

William Nicoli

Field Trip

Last Friday when we had Vocational Class we went on a field trip with Mr. Murrell. We looked for driftwood we could use for building and carving things. One boy found a knife. We all had a good time at the beach.

Harry Mann

P. E.

Every Tuesday Room F and G girls have P.E. in the Gym. We are practicing how to play basketball. We always have fun, and we are learning how to play too. But this is our last week of basketball. Next week we are going to play volleyball.

Doris Lee

Ferryboat

Yesterday, January 30, 1963 the four upper grades went to town to see the ferryboat. They said it was a big pretty boat. Room J and I stayed on the ferry for about one hour or more. They walked all around the ferryboat. There was a guide that showed them around. I wish I could have gotten to see it. We hope to see it next time. Helen Edenshaw

Restriction

On January 30th. some boys didn't go to Guidance Class. They were put on restriction, only on Saturdays.

Andrew Evan

Valentine's Day

February 14th. is Valentine's Day. Because Valentine is nearing I hope you all have fun.

Eve Soplus

Dances

Every Saturday night we have a dance at the Girl's Recreation Room. Sometimes we always have dress up dances and all different kinds. There always be a few people from town in the dances.

Danny Tcheripanoff

Visitor

In February 11, Dr. Anderson is coming here to check some boys and girls who weren't checked before. He is from Mt. Edgecumbe Hospital. We also had other visitors from other places.

Bavilla Hill

Weather

The sky is clear and the visibility is unlimited about 30 to 35 mi. wind. It is calm and the temperature is about 10 or 13° Farenheit and the sun is shining.

Shield Downey

GROUP H

MR. MASSEN GIVES DEMONSTRATION

We have been studying about fire.

We have learned what fire is and how we can prevent and extinguish it.

Last Friday Mr. Massen came to our classroom and showed us various types of fire extinguishers and how to use them. He told us that fires can start by spontaneous combustion. This is usually caused by rags that have been used to wipe oil or paint and left in a pile. They get warmer and warmer and start a fire.

Mr. Massen took us down to the cellar and showed us the school furnaces. It was kind of Mr. Massen to come to our classroom. We all enjoyed it and have a better understanding of fires and how to prevent them.

Joan Nevezoroff

BRAZIL

We have been studying about Brazil the past few weeks. We learned that Brazil's capital is now Brasilia. Until a few years ago, it was Rio de Janeiro. Brazil is a republic with a population of 60,080,000. Its area is 3,288, 042 square miles. This is almost as large as the United States.

The chief products are coffee, corn, cattle, cacao, sugar cane, meat, rice, tobacco, rubber, rotenone, and wood products.

Their Independence Day is September 7, a national holiday.

Adela Elachik

HONOR ROLL

The last nine weeks the students in Group H worked hard to get on the Honor Roll. For the second quarter there were seven students who had a B average. The hard workers this quarter were: Fanny Brown, Adela

Elachik, Russell James, Wesley Matsuno, George Peterson, Jennie Stepelin, and Richard Totemoff.

There were only five students on the Honor Roll the first quarter. This shows that some of the students want to work and are trying to do well in school.

Russell James

SCIENCE EXPERIMENTS

Group H has been doing different kinds of experiments in science. The most interesting experiments were on magnets. We learned how permanent magnets are made, how to make temporary magnets, and what materials are best to use for making magnets. We also learned that lodestone is the only natural magnets that we have.

It has been a lot of fun doing different experiments with magnets and we hope that we can continue doing other experiments in science.

Richard Totemoff

TRIP TO FERRY

Our trip to the ferry was good as long as it lasted! It was the second time I had been on a big boat like that. The best part of it is the way it was made. I liked the dining rooms and the scenery looking out of the towering boat. I also am glad I was not one of the stowaways who almost got a free ride.

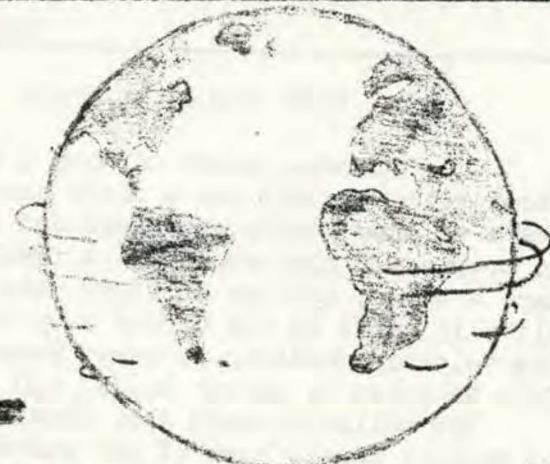

I hope that someday I will be able to go on a trip on the ferry. Some of the lower rooms did not get a chance to go to see the ferry because there was not enough time. I only hope that they might see one later on.

VALENTINES DAY

This very month is Valentine's Day,
The February Saint is on its way
This is another time of the year,
For great mounts of joy and of cheer.

For sending out Valentines to
those who appeal;
To show them of the love you
feel.

So we of Class J, bid to you, have
a good time and may your joys be
true!

Evelyn Joseph

KING & QUEEN FOR VALENTINES DAY

The students of Wrangell Institute
will vote for a King & Queen for our
Valentines Day.

Students, thirteen and over will
vote, since they will be the only ones
to attend the dance in the gym.

The boys will elect our Queen and
the girls will elect the King.

Who the King & Queen are will remain
a secret until the dance.

C. Brown

BASKETBALL

The Feb. 3, there was a game in
the gym. The Gold team played against
the Red team. The cheer-leaders
were there to cheer. The Red team
won the game by 8 points. It was an
interesting game.

Antoinette Evans

A VISITOR FROM MT. EDGECUMBE

On Jan. 30, Mr. Jackson, the principal
of Mt. Edgecumbe, came to visit the students
of Wrangell Institute. He visited the stu-
dents of Class J and talked with them. He
answered all of our questions that we had of
Mt. Edgecumbe. The questions we asked con-
cerned the activities, the different classes
and subjects that are taken in different
grade levels, and general imformation about
the school.

We enjoyed having Mr. Jackson very
much. If he ever comes again, we hope that
he would come and see us. We also wish to
thank him for taking time to answer all our
questions. We all hope to be students at
Mt. Edgecumbe next year.

Irene McCord

A VISIT ON THE MALASPINA

On the 30th of January, the ferry-boat
"Malaspina" stopped at Wrangell, while on
its way to Prince Rupert from Juneau.

The students of Rooms G, H, I&J from
Wrangell Institute visited aboard the ferry
boat. Miss Delores Adams, a hostess, took
us on a tour of the boat. Later we went up
to the pilot house, and the captain told us
more about it.

After about a half hour tour, we re-
turned to the Institute wishing that our
visit could have been longer.

Peri Mensoff

NEWS BULLETIN BOARD

The bulletin board in Room G tells about volcanoes and has a chart showing how a volcano starts and grows and how it erupts. It also shows how a family, a man, a woman, and two children were burned alive in ashes in the burned city Pomp~~lit~~. The volcanic mountain is named Vesuvius. This happened in August 24, 790 A.D.

The bulletin board also shows pictures of ancient Egypt, some of the statues that were carved long ago that told stories of what had happened. One picture shows a statue of a queen. Another picture shows an area on which stands many Egyptian monuments. This part of Egypt is now being flooded. Then these ancient works of art will be covered with water.

Another part of the bulletin board shows a picture of Desert Cactuses, White Mountain in New Mexico, Corando Monumentsnd. Some student made products maps of Idaho and New Mexico.

BASKETBALL GAME COMING

The Mt. Edgecumbe basketball team is coming to Wrangell this weekend. The Mt. Edgecumbe team will play against Wrangell High School. Some of the boys in the team were students of Wrangell Institute last year. They are going to be our guests on the campus, we all are happy that we are going to see them. We wish them luck in the game.

BASKETBALL

Friday February 8th. B squad will play in town and Saturday February 9th. 1963 A squad will play. The entrance fee will be \$.25. Some students will remain for the Saturday dance, the rest will return to the Institute.

Harold Berry

FEBRUARY BIRTHDAY DINNER

The birthday dinner for February will be on the 7th of the month. All the students and the staff who have birthdays in February are to attend the dinner in the homemaking room. This is a Tuesday at 5:15 p.m.

Judy Nagaruk

BLUE WILLOW RECORDING

The story "Blue Willow" was read over and over by the class in Room G. The idea is to improve our reading, pronunciation, and expression.

We are putting it on tape for others to hear if it is done correctly. Judy Nagaruk

VISIT THE FERRY

On Wednesday, January 30, the upper grades went to see the ferry. The other grades will go the next time the ferry comes.

Some of the Wrangell High students were left on the boat and the boat came back to let them off.

Classrooms "G" and "H" made the last trip from Wrangell Institute to the ship, so they had the privilege of seeing the ship leave the dock and sail down the harbor.

Lena Commack

DANCE AFTER GAME

Fifty students, including the "A" Squad are staying for the dance after the Mt. Edgecumbe and Wrangell High game.

Paul Kakoona
A Squad Manager

MOVING IN THE DORM

After school we moved around from rooms, and I'm in Room 8. Natalia John and Bertha Passamika are in Room 7. I had lots of fun when we moved around. I wished to be in Joan's room. I like Room 8. Marie Neakok is in Room 9. She likes that room.

I am in bed 2. I like bottom beds. It is good to sleep on bottom beds.

We also changed details. My detail is the front side walk.

GIRLS VISITING IN TOWN

Many girls have been able to go to town with their relatives, friends, and also matrons. Many have been checked out to see basketball games such as the Hydaburg game. All of the Hydaburg kids got checked out to see the game and their relatives that came along with the team. It is nice to visit in town and see relatives.

Irene McCord

MAILBOX EXCERPTS

Mt Edgecumbe School
Mt Edgecumbe, Alaska
February 7, 1963

"How is the A-V Club getting along? Hope it is getting along fine. The A-V Club here at school is getting along fine. One of the boys who had his card with him joined the club about a couple of months ago."

"Tell all the A-V Club members a big hello from me."

Bert Kanayurak

Winona Hall
Chemawa, Oregon
February 5, 1963

"I sure miss staying at Wrangell. Seems like I'm not in school. Oh, I'm doing fine in my school work."

"Ethel Moses, Lucy Evan, Larry Larkin, Edward Loon, Clarence Savatilik, and Sidney Carle are from Wrangell."

"This coming Thursday, we are going to have a poster parade in the gym. There will be four units from Winona. I will be one six ushers."

"Tell Gloria David, Nancy Neakok, Matilda Douglas, Tassieanna Prince, Hendy Ballot, Bert Jones and others a big hi."

Irene Ramoth

Chemawa, Oregon
Brewer Hall

"You can tell all the girls from Hydaburg I have said hello. Tell Frances Duncan to write soon. Here are two pictures. One is for Shirley Natkong."

Sidney Carle

CUB SCOUTS

The Cub Scouts went to town January 21. They left Wrangell Institute at 6:30. We had a skit about the Boston Tea Party. Some of the boys got badges. Jim Charlton was the only boy from Wrangell to get an Eagle badge.

Boys from Den 10 who received one year service pins were: Eugene A-sicksik, Alfred Elachik, Ignatti E-van, and Louie Lee.

Daniel Callahan

PICTURES

Mrs. Johnson took a picture of us. She took my picture two times, once in the Boy's Rec Room and once outside when the sun was shining. We always take a picture every time we have pictures in our class.

Conrad Koenig

MOVIES

Last Sunday we had a movie about "Gulliver's Travels." Gulliver was a giant. It was a real good show.

Sections 20, 12 and 3 won the
cake. Salome Jones

FIRE DRILL

Some of the boys were playing with the fire alarm box at the Health Center and it went on, so we had to go out. The men were running all over the dorm when the girls went out of the dining hall.

Afterwards we went to the gym and Mr. Sorensen asked us to not accidentally cause an alarm to go off. We were instructed not to touch the alarm boxes.

Margaret Elashik

MORNING TALKS

In our class every morning we have morning talks. We try to make them as paragraphs. We try hard to make good paragraphs. Some talks are very interesting and happy. Some show expression. We are getting better every morning.

Rose Prince

CHANGING SECTIONS IN DORMS

Yesterday in the dorm, we changed sections and details. We are happy to have new section mates.

My section mates are: Polly Williams, Antónia Raymond, Sandra Malland, Irene Jensen, and Alma Agnasagga. I really enjoy having new roommates. This morning we had excellent in our section because all the section was neat and clean.

We also won the Honor Cake. When I was with my old section, we won the cake twice. We will try to get the most points again.

Lois Drucks

NEW TEACHER

Mrs. Meredith Sykes is taking
Mrs. Rifenbery's place in Room
E. Mrs. Rifenbery went to Port-
land to be with her husband. Mrs.
Sykes is from town, and she'll be
here until the end of school.

Annie Johnson

HOMEMAKING

In homemaking the girls ate French toast, oatmeal, and grapefruit halves. Each time the girls go to homemaking they make pot-holders, aprons, and shirts. I like to go because I like to make things.

Karen Sue Mixsooke

NEWS FROM ROOM 3

We have been reading about Streak Jackson's rocks. Streak liked to collect rocks. One autumn day Mrs. Jackson went to Streak's room. "What a room!" exclaimed Mrs. Jackson. "Oh, it's fairly neat." Streak replied. "Well!" Scolded Mrs. Jackson, "You must have these rocks out of here by morning."

So it went on. Jack was sad because he didn't want them to be moved. He talked with his father about his rocks. Mr. Jackson chuckled. Then he said, "A few rocks might be all right in a boy's room, but dozens of rocks are too many."

"Where can I put them?" Streak inquired.

"Why not build a fancy wall along the flower bed?" Streak didn't want his rocks to be in the flower bed.

He carried his rocks down stairs.
Justina Prince

SCIENCE

We learned in science that there are four seasons in the year. They are fall, winter, spring and summer.
Eunice Ruhl

AT THE ZOO

I've been to a zoo. There were big holes in the ground, and bears came out. There were lions with bones in their cages, and kangaroos that jumped around. I saw monkeys that hung by their tails.

Onessia Alexie

ARITHMETIC

In our school we do arithmetic. We are learning to do division, multiplication, subtraction, addition and other work in our arithmetic book. Our arithmetic is a good book to use, and our class likes it. We have fun doing our arithmetic work.

Eugene Asicksik

A VISIT

We had a visit with Mrs. Ness. We had a nice visit at her home. We made cupcakes, popped corn, and ate with her.

Bertha Passamika

THE BOY AND THE GIRL

Once there was a boy and a girl. They wanted to get married. The boy's mother said, "But, my son, you are too small to get married to the girl. And the girl is too small too."

The girl's name was Karen and the boy's name was George. When they were big they got married. Karen and George lived happily every after.

MARIE NEAKOK

LANGUAGE

We have a book titled Learning Together. It shows us how to write letters and how to write sentences.

We are up to page 39 in our book. We make sentences about the picture words. We have to work hard to do it.

JUSTINA
PRINCE

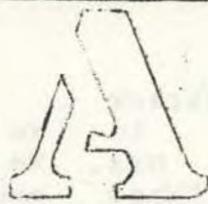

THE LAND OF MOUNTAINS

Far away across the ocean is the land of Norway. You would like to be in Norway in the summer. I should like to stay there too. Wherever we would go in Norway we would not be far from the mountains.

GLORIA COMES BACK

Room I is very happy to have Gloria Leonard back. Gloria has been in Edgecumbe Hospital for about three weeks. She had an operation and made a fast recovery. Welcome back Gloria!

HANNAH TITUS

OUR TEACHER TEACHES

Last week our teacher, Mr. Kuckuck, taught us how to develop film. Last Monday we all went down stairs to print them. They came out nicely, but we had to be careful. It was a good experience for most of us and lots of fun.

HANNAH TITUS

CLASS ROOM GIGGLES

An elderly woman handed a small boy an orange. "What do you say to the nice lady?" his mother asked him. "Peel it," he answered.

Johnny S.: "I only spent \$4.00 on my little girl last night."

Peter J.: "Why so little?"

Johnny S.: "That was all the money she had."

PLAYDAY FOR ROOM I

This month Room I had a play-day with the Wrangell 8th graders. Most of the afternoon we spent in the gym. After we played some games at the gym, we went to our dorms with our partners to wash up for supper. After supper the town 8th graders went back to town. Everyone enjoyed meeting boys and girls they hadn't met before.

NELLIE WELLS

COUNTING DAYS AND WEEKS

Everybody at Wrangell Institute is counting days and weeks to be home in May. School will be out on May 17th. That is in only fifteen more weeks.

Guess everybody will be happy to be home again.

WINIFRED HUNTER

A VISIT TO THE FERRY

Last month a ferry boat came to Wrangell and the students went to see it. All of the students didn't have a chance to see it because it had to leave Wrangell for some other place.

When we went to Wrangell we went to the ship and there was a guide who showed us around to different places like the dining hall and others. The guide told us about the ship's length and width. The ferry's length is approximately 375 feet and the width is 70 feet. The ferry has three decks and on the last deck is a place where cars are kept. The ship can carry about 100 ordinary cars and about 500 passengers.

We went to the top deck. The captain told us that the ship has two radars, 8000 horsepower, and cruises at 17 knots.

There were many people here besides us. The Wrangell school students were there also.

We enjoyed the trip.

B SQUAD NEWS

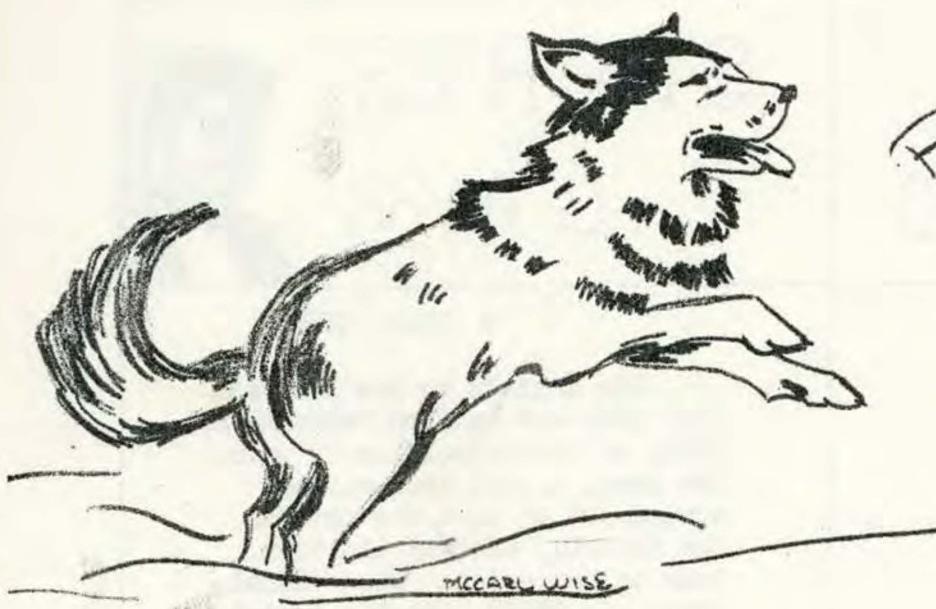

The Eaglets or the B squads last game was held on February 8, 1963, at the school gym in town. The game, a real hair-raiser, turned out to be a victory for the Eaglets, winning the town team by one point. The final score was 29-28 with the Eaglets leading. This has been the first game the Eaglets have won this year.

A SQUAD NEWS

The Eagles or the A squads last game was held on February 9, 1963 at the school gym in town. The game, a heart-breaker, turned out a defeat for the Eagles. With the score even a few seconds before the final buzzer. The J.V.'s scored one more basket, causing the Eagles to lose the game by two points. The final score was 29-27 with the Wrangell Varsity leading the Eagles by two points.

BRAVES VS. WOLVES

The Mt. Edgecumbe Braves challenged the Wrangell Wolves to two basketball games. They were held at the school gym in town last February 8 and 9. In both games the Braves were leading the Wolves. The first game was held on Friday, February 8. The final score was 48-21 with the Braves leading the Wolves by 27 points. The second game was also a victory for the Braves the game was held on Saturday, February 9. The final score was 50-32, with the Eagles leading the Wolves by 18 points.
